

PTA VOLUNTEERS NEEDED

Sag Harbor Elementary Parent-Teacher Association coordinates volunteer efforts for school activities and raises funds to support programs that enrich the experience of all students. Parent volunteers help with a variety of school programs, class events, parties, and learning activities. We are always available to discuss any new ideas. We Cannot Do This Without You!

Important Note: We know it's hard to predict what your availability will be months ahead of time. By selecting events you'd be interested in, you are simply signing up to have an email sent to you a few days prior to sign up for any 2-hour time-slot. If you can do it, that's great. If you can't, we understand! We are grateful for any support you can give!
